MFS CAPITAL PARTNERS LIMITED
REPORT TO OUR STOCKHOLDERS
QUARTER ENDING 30TH SEPTEMBER 2022

We hereby present the 1st Quarter Results for MFS Capital Partners Limited (MFS), (Formerly SSL Venture Capital Limited, SSLVC).

NET PROFITS

For the three months ending 30th September 2022, the Group recorded profits after taxes of **\$5.3M**. These profits recorded during the period resulted from a new revenue stream: receivables financing. MFS will continue to align itself within the market to realise more business opportunities that will ensure growth.

REVENUES

For the three months ending 30th September 2022, the Group recorded revenues of **\$12.5M** as stated above MFS was successful in its first receivables financing transaction.

EXPENSES

For the three months ending 30th September 2022, the Group's administrative & operational expenses were **\$5.8M** in addition to the finance related costs of **\$150k**, bringing overall expenses to **\$6.03M**. The expenses incurred relates to the operating costs for the SSLVC's Head Office and BCL obligations.

FINANCIAL POSITION

Total assets of the Group stood at **\$72.6M** for the quarter ending 30th September 2022 with total liabilities at **\$115.9M** and shareholders' equity at a negative **\$43.2M**.

Profit per stock unit for the three months was \$0.014 per share.

OUTLOOK

The first quarter results were positive and as stated above MFS is strategically positioning itself in the market to attain more profits. We are on target in achieving certain milestones outlined in our June Quarter results as well as our annual report:

- Refining our business model is an ongoing mechanism to ensure efficiency
- Final stage of our strategic acquisitions.

The Board of Directors wishes to thank you, our valued shareholders, our management and employees for their unwavering support.

MFS CAPITAL PARTNERS LIMITED
UNAUDITED NOTES TO THE FINANCIAL STATEMENT
THREE MONTHS ENDING 30TH SEPTEMBER 2022

1. IDENTIFICATION AND PRINCIPAL ACTIVITIES

The company was incorporated under the Companies Act of Jamaica on 24 November 2011. At the end of the quarter, MFS Capital Partners Limited changed its registered office from Unit 15, Barbican Centre, 88 Barbican Road to Suite 2, 14 Canberra Crescent, Kingston 6.

On 25 May 2022, MFS Acquisition Limited acquired the 79 % stake previously held by Stock and Securities Limited. Effective 3 August 2022, the name of the Company was changed from SSL Venture Capital Jamaica Limited to MFS Capital Partners Limited. The name was changed pursuant to Section 17 of the Companies Act and was approved by shareholders at an Extraordinary General Meeting held on 13 June 2022

The business model of the Company has not changed significantly as they will continue specializing in investing in equity of small to medium sized companies that show great potential for growth and profits. The Company is listed as a member of the Junior Market of the Jamaica Stock Exchange.

The company's subsidiaries, together with the company are referred to as "the group"; the subsidiaries are as follows:

Date of Acquisition	Subsidiaries	Principal Activities	Proportion of issued share capital held by company
Jul 2, 2018	Bar Central Ltd.	Distribution and provision of branding services	75%
July 20, 2018	Muse 360 Integrated Ltd.	Marketing and commercial solutions	51%

All of the company's subsidiaries are incorporated and domiciled in Jamaica.

Bar Central Limited ceased operational activities as of December 31, 2019. Muse 360 Integrated Limited ceased operational activities as of August 31, 2019. New Management has decided to dispose of shares in both companies: Muse 360 Integrated Limited and Bar Central Limited.

The consolidated financial statements include the financial statements for the company and its subsidiaries. The financial statements are presented in Jamaican dollars, which is the functional currency.

MFS CAPITAL PARTNERS LIMITED
UNAUDITED NOTES TO THE FINANCIAL STATEMENT
THREE MONTHS ENDING 30TH SEPTEMBER 2022

2. SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Preparation

The interim financial report is to be read in conjunction with the audited financial statements for the year ended June 30, 2022. The explanatory notes attached to the interim financial statements provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Company since the financial year ended June 30, 2022.

b) Basis of consolidation

The consolidated financial statements comprise the financial statements of the company and its subsidiaries as at 30th September 2022. A subsidiary is an entity controlled by the company. Control is achieved when the group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the group controls an investee, if and only if, the group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns

The financial statements of the subsidiaries are included in the consolidated financial statements from the date that control commences until the date that control ceases.

Where necessary, adjustments are made to the financial statements of the subsidiaries to bring its accounting policy in line with the group's accounting policy. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between the members of the group are eliminated in full on consolidation.

c) Going concern

The Group and company reported profits in 2022 of \$5,359,337. The Group and the Company as at 30th June 2022 have accumulated deficit of \$142,132,458 (June 2022: \$147,491,795) and \$112,870,988 (June 2022: \$118,795,186) respectively. Further, as at 30 September 2022, the Group's and the Company's current liabilities exceeded its current assets by \$43,295,594 (June 2022: \$48,654,931) and \$990,690 (June 2022: \$7,214,500) respectively. This indicates the existence of material uncertainty that may cast significant doubt about the Group's ability to continue as a going concern.

MFS CAPITAL PARTNERS LIMITED
UNAUDITED NOTES TO THE FINANCIAL STATEMENT
THREE MONTHS ENDING 30TH SEPTEMBER 2022

SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

d) Property and Equipment

Owned Assets: Items of plant and equipment are stated at cost or deemed cost less accumulated depreciation and impairment losses. Cost includes expenditures that are directly attributable to the acquisition of the assets. The cost of self-constructed assets includes the cost of materials, direct labour and related costs to put the asset into service.

Depreciation are stated as cost less accumulated depreciation and impairment losses (see below). Depreciation is calculated on a straight line basis at rates to write-off carrying values of the assets over their period of expected useful lives. The annual depreciation rates are as follows:

Computer Equipment 25%; Furniture - 10%; Leasehold improvements - 10%; Motor Vehicles - 20% & Office Equipment- 10%

Gains and losses on disposal are determined by comparing proceeds with the carrying amount and are included in the statement of comprehensive income. Repairs and Maintenances are charged to the statement of comprehensive income during the financial period in which they are incurred.

e) Intangible Assets

Intangible assets represent purchased computer software not integral to computer hardware, with finite useful lives that are acquired separately and are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful life of six years.

f) Inventories

Inventories are stated at the lower of cost and net realisable value, cost being determined on a first in first out basis. Net Realisable value is the estimate of the selling price in the ordinary course of the business, less selling expenses.

MFS CAPITAL PARTNERS LIMITED
UNAUDITED NOTES TO THE FINANCIAL STATEMENT
THREE MONTHS ENDING 30TH SEPTEMBER 2022

g) Cash and bank balances

Cash and cash equivalents are carried in the statement of financial position at cost. For the purposes of the cash flow statement, cash and cash equivalents comprise cash at bank and in hand, short term deposits and bank overdraft.

h) Receivables

Receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less loss allowance. For trade receivables impairment provisions, the group and company applies the simplified approach permitted by IFRS 9, which requires expected lifetime losses to be recognised from initial recognition of the receivables. To measure expected credit losses on a collective basis, trade receivables are grouped based on similar credit risk and ageing.

i) Payables

Payables, including provisions, are stated at their nominal value. A provision is recognised in the statement of financial position when the group has a present legal or constructive obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount can be made. If the effect is material, provisions are determined by discounting the expected future cash flows at a rate that reflects current market assessments of the time value of money, and where appropriate, the risks specific to the liability.

j) Revenue Recognition

Revenue comprises the fair value of the consideration received or receivable of goods and customer acceptance or performance of service. Revenue is shown net of General Consumption Tax, returns, rebates and discounts. Revenue is recognized as follows:

- i. Sales of goods- Sales of goods are recognized upon the delivery of goods and acceptance or performance of services.
- ii. Interest income - Interest income is recognized in the statement of comprehensive income for all interest-bearing instruments on an accrual basis using the effective yield method based on the actual purchase price.

MFS CAPITAL PARTNERS LIMITED
UNAUDITED NOTES TO THE FINANCIAL STATEMENT
THREE MONTHS ENDING 30TH SEPTEMBER 2022

k) Related Parties

A party is related to the group, if:

- i. Directly, or indirectly through one or more intermediaries, the party controls, is controlled by, or is under common control with, the Company (this includes parent, subsidiaries and fellow subsidiaries); has an interest in the entity that gives it significant influence over the group; or has joint control over the group;
- ii. the party is an associate of the Company;
- iii. the party is a joint venture in which the Company is a venture;
- iv. the party is a member of the key management personnel of the Company or its parent;
- v. the party is a close member of the family of any individual referred to in (i) or (iv);
- vi. the party is an entity that is controlled, jointly controlled or significantly influenced by, or for which significant voting power in such entity resides with, directly or indirectly, any individual referred to in (iv) or (v); or
- vii. the party is a post-employment benefit plan for the benefit of employees of the Company, or of any entity that is a related party of the Company.

A related party transaction is a transfer of resources, services or obligations between related parties, regardless of whether a price is charged.

l) Foreign Currencies

Foreign currency transactions are accounted for at the exchange rate prevailing at the rate of the transactions. Monetary assets and liabilities that are denominated in foreign currencies are translated into Jamaican dollars at the exchange rate prevailing at the statement of financial position date; that is in the case of each currency, the Bank of Jamaica weighted average buying and selling rates at that date. Gains or losses arising from fluctuations in the exchange rates are reflected in the statement of comprehensive income.

m) Financial Instruments

Financial assets and financial liabilities are recognised when an entity becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the statement of comprehensive income.

MFS CAPITAL PARTNERS LIMITED
UNAUDITED NOTES TO THE FINANCIAL STATEMENT
THREE MONTHS ENDING 30TH SEPTEMBER 2022

n) Taxation

Taxation on the profit or loss for the year comprises current and deferred tax. Current and deferred taxes are recognized as income tax expense or benefit in the statement of comprehensive income except, where they relate to items recorded in shareholders' equity, they are also charged or credited to shareholders' equity.

Current taxation - is the expected taxation payable on the taxable income for the year using the tax rates enacted at the statement of financial position date and any adjustment to tax payable and tax losses in respect of previous years.

Deferred Income taxes - are recognized for temporary differences between the carrying amounts of assets and liabilities and their amounts as measured for tax purposes, which will result in taxable amounts in future periods. Deferred tax assets are recognized for temporary differences which will result in deductible amounts in future periods, but only to the extent it is probable that sufficient taxable profits will be available against which these differences can be utilized.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the asset will be realized or the liability will be settled based on enacted rates.

Current and deferred tax assets and liabilities are offset when the legal right of offset exists.

3. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the Company's accounting policies, management is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical judgements in applying the Company's accounting policies.

Management believe there were no judgements made in the process of applying the Company's accounting policies that had a significant effect on the amounts recognised in the financial statements.

Management is of the opinion that there were no critical assumptions concerning the future that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.
